Our Business

At Weecomply, we demystify taxes for your comfort. We provide an all-round suite of tax compliance, advisory, accounting and consulting services. We have an end-to-end range of services to help you set up a business tax compliance model and maintain it for a healthy relationship with the tax authorities. We also provide tax diagnostics to ensure that the tax compliance model that you have chosen and is in practice, is consistent with the ever-changing tax legal environment. In tax, your tax compliance business is our business.

Services

Our range of Services include:

1. Tax Planning – At Weecomply, we are keen to understand your business and identify tax saving opportunities within the existing tax legislation.
2. Tax Advisory – We offer advice that enhances the business' tax compliance strategy, mitigate tax leakages as well as efficiently deal with queries from the tax authorities.
3. Returns, and Documents Preparation and Filing – We prepare or review the various existing tax returns, supporting documentation, tax appeals as well as filing them with the tax authorities on behalf of clients in compliance with the extant tax laws.
4. Tax Updates – We provide periodic updates as soon as they are enacted. Further, we also provide training services that could be tailor made to our client's need. We are passionate about tax compliance and believe that an efficient tax compliance program starts with knowledge of the taxpayer's obligations under the tax laws.

5. Representation - You do not want to risk it with us. We represent our clients to the tax authorities for their tax compliance program.

Our Experience

We have a wealth of taxation compliance and advisory experience. Our staff have had experience with both tax administration as well as consulting. It is with this knowledge and experience asset that we engage with our clients in the tax compliance business.

We exist for our clients' business.

Over the past years, we have served many clients, some of whom are:

1. Eastern Produce Malawi Limited – Tax compliance and advisory services
2. CDH Investment Bank – Tax Training covering all applicable taxes
3. Bankers Association of Malawi – Tax advisory services
4. Minet Malawi Insurance Brokers – Tax compliance and tax audit support
